Russian and Polish Time Bombs

After they destroyed Russia, they were imported to Israel. These things have been inbreeding for 1400 years, and the physical and mental symptoms are surfacing.

In Poland they had boundaries, but in Israel they roam like jackals. Raping a 11 yr old Arab girl, or beating an old Arab, is considered sport.

The Purim Massacre At The Ibrahimi Mosque

Purim is a sacrificial period when Jews kill. Goldstein, dressed as an IDF soldier, and another Jew, entered the rear of the mosque during night prayers.
Blood Crazed and Hopped Up on Amphetamines

There were nine soldiers on duty, but none of them stopped Goldstein. As the Arabs were kneeling, Goldstein threw grenades, and then used a machine gun. When it was over the Jews had killed 29, and wounded 150.

The Arabs beat him to death with a fire extinguisher, his accomplice escaped, and the IDF soldier ran.

History of the Ibrahimi Mosque

It was built in 1206, and contains the body of Ibrahaim, who is a prophet and as the father of the Prophet Ismail, who is considered the Father of the Arabs and as the father of the Prophet Issac. Abraham is considered one of the most important prophets of Islam.

A Rat’s Nest Called Qiryat Arba

Following the Six Day War of 1967, a group of Jews disguised as tourists, led by Rabbi Moshe Levinger, took over the main hotel in Hebron and refused to leave. They later moved to a nearby abandoned army camp and established the settlement of Kryat Arba. This process of expansion of the Jewish presence is continuing and there are now more than 20 Jewish settlements in and around the city.

Jews living in these settlements and their supporters claim that they are resettling areas where Jews have lived since time immemorial, but the presence of Israeli settlements in these areas is condemned by many foreign governments and the United Nations as a violation of international law.

Most of these settlers don’t work. They will come out of their nests and terrorize the Arab population. They cut the arm off this kid for throwing rocks.

Shootouts Are Common

This ‘Human Garbage’ will terrorize Arabs for sport.

Who Was Baruch Goldstein?

Goldstein, a Jewish doctor from Brooklyn, immigrated in 1985. He was often questioned by the FBI with regards to his activities with the JDL. In Israel he was part of the Kiryat Arba ‘Kach’ terror groups, founded by Rabbi Meir Kahane.

Israel gives a immigrating doctor a house, salary, all expenses. These people receive exquisite houses, Thai servants, etc; it is all financed through US loans.

Goldstein Is A Jewish Hero

Israel erected a mini shrine at Kiryat Arba.

What Does It All Mean?
They destroyed Russia, Germany, Eastern Europe, Iraq, and soon Iran. When the time is right they will do the same thing to America.

Those "Jewish" criminals will face the Arab rage very very soon. The United Nations and the Western governments are responsible of the creation of an evil state called "Israel". The Arabs have been subjected to killings, massacres, robbery of land, rape all in Palestins, Lebanon, Egypt, Jordan and beyond. Yes the cowed anonymous in the only comment says "... You have all the middle east. Leave Israel alone"

I am an Arab from Iraq, and we are prepaing to march to Jerusalem - Al-Quds, and we will never leave the state of "Israel" until we see it dismanteled and rights go back to the legitimate people of Arab Palestine.

Your time have reached, and I advice that every single "Jew" in the state of "Israel" to immigrate back to the land he/she came from and leave Palestine Alone. You have all the world to make a state, so leave Palestine Alone.

The Iraqis of Imam Hussain are marching.

Israel has God on their side and always has had God on their side. Anything that happens to Israel will be paid back one-thousand fold. They are the chosen people. I am a soldier for God and the state of Israel will shine above all other nations.

Yes, the Israelites are God's chosen people. However, the so-called "Jews" are NOT the descendants of the Israelites. They are impostors, who are actually descended from the Khazars and Edomites. And they are actually descended from Satan himself.

"I know the blasphemy of them which say they are Judahites, and are not, but are the synagogue of Safari." (Revelation 2:9)

Yahshua speaking to the Jewish Pharisees:

"Ye are of your father the devil, and the lusts of your father ye will do." (John 8:44)

"Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?" (Matthew 23:33)

"Note: "generation" in the above verse is from the Greek "gennema", literally meaning "offspring". Check for yourself in Strong's Concordance and a Hebrew and Greek Lexicon.

More about this in following article:

Racial origin of the "Jews"; not Israelites, but descendants of Khazars, Edomites, Canaanites, Cain, and ultimately Satan.

The TRUE descendants of the Israelites are the Anglo-Saxon, Germanic, and Northern European peoples.

That's retarded, Jews are not the descendants of Satan, satan is a spirit not a human being. Those Bible verses have nothing to do with the topic you are talking about.

Anonymous November 1, 2012 at 1:32 PM

so, what u r saying is... that humans are without spirit? and satan is a fallen angel and that no spirit ther are slightly differences. Ummm, would u say that Mohammad was only a spirit too (i don't mean to be anti-islamic or whatever anti here )? And... if u change ur angle of view a bit , u might get a glimpse of the meaning of this topic ... )
